TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

[L. S.]

To the Inhabitants of the Town of Danville, in the County of Rockingham, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the eleventh day of March next, at nine o'clock in the forenoon, to act on the following subjects:

1. To choose all necessary Town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year, and make appropriation for same.

4. To see if the Town will vote to raise and appropriate a sum of money necessary to obtain State aid for building State road and to decide where to build the same.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the State road.

6. To see what sum of money the Town will vote to raise and appropriate for snow paths.

7. To see what sum of money the town will vote to raise and appropriate for the Public Library.

8. To see if the Town will vote to raise and appropriate a sum of money to be used in improving the cemeteries.

9. To see if the Town will vote to raise and appropriate a sum of money for the observance of Memorial Day.

10. To see if the Town will vote to authorize the Selectmen to hire money for the use of the Town.

11. To see how much of the Parsonage funds the Town will vote to spend for preaching for the year ensuing.

12. To bring in your votes for a Delegate to the Constitutional Convention to be held in June.

13. To transact any other business that may legally come before the meeting.

Given under our hands and seal, the 21st day of February, in the year of our Lord nineteen hundred and thirty.

ALFRED B. SARGENT,
MAHLON C. CURRIER,
MAHLON B. DARBE,
Selectmen of Danville.

SCHOOL BOARD REPORT

GENERAL REMARKS

Since the last report a number of changes have taken place in your schools, to which we wish to call your attention.

Early during this school year, a local Parent-Teacher Association was organized. The membership is constantly increasing and attendance at the meetings remains good. This organization can and will do good work to supplement the regular activities of the school. We have faith that it will live, grow and prosper. There are yet many who might desire to become members. All adult citizens are invited to membership, whether they are parents or not. Certainly a better understanding between the home and the school cannot result in harm but rather in good. Meetings are held each month during the year except July and August. It is planned to meet in both sections of the town so that all may have an opportunity to share in this splendid enterprise. Up to now there have been two meetings at the Eaton School and one at North Danville, with the March meeting planned for North Danville. We would urge your attendance and participation.

During the vacation the temporary partition at the North Danville School was removed and a permanent one put in place. This was so built that much needed cupboard and storage space was provided. Slate blackboards were provided and installed upon this partition, thus adding much to the appearance of this room as well as reducing the area to heat. The room is now amply large enough to care for the present enrollment as well as to allow for an increase. When this

room is completed by painting the new partition, it will be one of the most pleasant and attractive rooms in the union.

Last year a music supervisor or teacher was employed and did excellent work in advancing this important phase of the training of children. He started this year, but obtained a position in another state at a much larger salary, so we were without music instruction save as each teacher handled it, until recently. Then Miss Lena Bondi of Exeter was procured to carry on the work, which she is doing to her credit and the benefit of the pupils. Miss Bondi is a graduate of the New England Conservatory of Music and has had many years of experience in her profession. We feel sure that the pupils are to progress in musical ability and that the results will be worth much more than the expense.

Trusting in the continued support and interest of our people, we respectfully submit this report.

W. CURRIER WITHERELL,
ANNIE G. McGRATH,
LOUIS M. GRIFFIN,
School Board of Danville.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Danville:

I herewith submit my third annual report as superintendent of schools. In this report I shall deal briefly with the eight tables which follow it.

Table I. gives the names and training of your teachers. Miss Lakin and Miss Cormier come to you from Normal School with splendid recommendations and are evidently living up to your confidence in them. Your best co-operation and help in the solution of individual problems will go a long way to make their task easier and more beneficial to your children.

Table II. contains the school calendar for the present year. It is included to help answer questions which may arise with regard to vacations and other matters of similar interest.

Table III. shows the names of the pupils having perfect attendance for the year 1928-29. The parent's name is given as well, because often the incentive for such good attendance rests with the parent. We hope this list may grow during this present year.

The next two tables deal with the important problem of eighth grade graduation and high school attendance. It is pleasing to me to note that a large per cent of your graduates are continuing their training. This may result in greater cost but cost can never measure its ultimate value to Danville, to the State, and to the Nation. The sum total of human happiness and individual worth shall have been increased over and above financial cost by virtue of their attendance at high school.

Table VI. lists the pupils who may enter school next Fall.

There may be others who have moved in since the census was taken or who shall have reached the age named by September 1, 1930.

The next table gives the results of the physical examination of the children and the follow-up activities of the school nurse. A careful reading of this table will show the highly important duties which she is performing for you. "A sound mind in a sound body" is often heard. You are to be congratulated upon your decision to see this aim accomplished.

The last table deals with a variety of items as revealed by a summary of the registers for each school. The enrollment shows only a slight increase but not permanent as the average membership shows. I think a stable enrollment of between 70 and 75 can be determined. The loss per pupil due to absence is considerable. Of course a large share of this loss is due to sickness a fact which we cannot very well avoid. Yet an examination of the registers reveals a large number of absences with the following reasons given: Away with parents, work at home, rain, snow, and no reason. It is my opinion that there should be no reason for absence from school save illness. Will every parent share this belief and help to remove these undesirable excuses from your schools? The tardiness problem has been helped greatly in the past two years. I anticipate your assistance in relief of this loss by absence. Table VIII. offers an opportunity to make comparisons of attendance results for the three years.

In keen appreciation of your loyal interest and generous support, I respectfully submit this report.

HAROLD C. BOWLEY,

Superintendent of Schools.

Children five years, six months of age by September 1, 1930, may enter school if vaccinated. The following were mentioned in the school census:

Pupil	Parent
Roy Collins	Herbert Collins
Richard Currier	Mahlon Currier
Marion Demaine	Merritt Demaine
John Heath	Carroll Heath
Pauline Lessard	Dona Lessard

TABLE VII.—HEALTH SUPERVISION

Of the 64 pupils examined during the school year 1928-29 the following cases were found and treatments made:

	Number of Cases	*Number of Treatments*
Underweight,	14	11
Defective vision,	6	6
Nervous condition,	1	1
Defective teeth,	25	9
Defective breathing,	5	1
Diseased tonsils,	17	3
Enlarged glands,	6	0

Scarlet fever,	1	1
Measles,	6	6
Mumps,	9	9
Pediculosis,	4	4
Skin diseases,	7	7
Small pox vaccination,	10	10

The fundamentals of the health program in the school curriculum are: That the pupil should be aware of the health habits that are necessary in order to develop resistance to disease and to maintain vigor and good feeling in every day life.

The health teaching consists of health talks on nutrition, posture, sanitation, and the body in general. Health projects and games are most helpful in emphasizing these talks and are used extensively. Daily morning inspection regarding cleanliness and general appearance is conducted in each school, either by the teacher or by chosen pupils known as health monitors. Setting-up exercises of five minutes are given in the morning and afternoon sessions. These prove very helpful in correcting poor posture.

During the year each pupil has had a thorough physical examination; parents notified of the defects found; and through follow-up visits much has been accomplished toward making this examination most beneficial. The continuous contact with each pupil in school and home life has done much both in preventing and spreading contagious disease.

Many thanks are due the parents and teachers for their splendid co-operation in all health matters.
